SportsBook Breakers Spotlight System of the Day

PLAY UNDER: Teams which have thrown two straight shutouts.

118-140-22 (0.16, 45.7%) +3.1% ROI

Teams that are coming off back-to-back games of not allowing a run are generally throwing really well, and their bullpen is likely set up well. Additionally, because of how well they've been pitching, their offense is more likely to play to get runs on the board, rather than shoot for the big inning. The combination of those sets up the value on the under.
