SportsBook Breakers Spotlight System of the Day

PLAY AGAINST: Teams that are at least +150 underdogs after being favored by at least -170 last game.

55-133 (-1.76, 29.3%) +9.4% ROI

This is a spot where a team is experiencing a huge line swing from one game to the next. They were heavy favorites last game and now are heavy dogs in this one. It turns out, Vegas absolutely knows what they are doing in these spots and if anything, undersells what the shift in lines should be away from these teams as they are unable to meet even those modest expectations.
