## SportsBook Breakers Spotlight System of the Day

**PLAY AGAINST:** Teams which allowed at least eight hits but no more than one run.

862-876 (-0.06, 49.6%) +0.6% ROI

This is another of the situations we have looked at like this where the underlying stats tell a better story than the score. In this spot, teams did not allow many if any runs last game but did allow a significant amount of hits. That suggest their pitching staff is not quite as locked in as that previous game score would suggest.

po:hits>=8 and po:runs<=1

Active against NY Yankees.
