SDQL TEXT: *team=Texans and D and oA(TY)>385 and date>=20091129*

SBB'S NFL DFS STAT OF THE WEEK:

Don't expect a bounceback game from Colin Kaepernick. Before last week's four interception stinker against the Cardinals, Kaepernick had four multi-interception games in his career. He has been brutal in his recovery efforts as he has thrown for just 177.5 yards per game and has generated a mere two combined passing and rushing touchdowns over the four games. The 49ers have lost all four of these games, scoring no more than 14 total points in any of the four games.

SDQL TEXT: *Colin Kaepernick;p:interceptions thrown>=2*

Note: It is not SportsBook Breakers recommendation to make plays based solely on one trend (our selections at killercappers.com don't). Weigh these trends along with other factors accordingly.
