SportsBook Breakers Spotlight System of the Day

PLAY ON: Teams which have scored no more than a run in three straight games

183-187 (-0.26, 49.5%) +3.1% ROI

It is really hard to talk yourself into backing a team that has been this bad offensively in three straight games. That is why we show you these systems. Bettors have a hard time as well in this spot with an average line of +112 in these games. These teams do still perform below average offensively, though the 4.13 runs per game is a significant step up, enough to get these teams to nearly .500 in th spot.
