SportsBook Breakers Spotlight System of the Day

PLAY AGAINST: Teams that are in the first game of a series coming off a four-game sweep.

154-182 (-0.26, 45.8%) +10.0% ROI

Teams that are coming off a four-game sweep seem like they could not be playing any better. But the hidden truth is it takes a lot out of a team to put the foot on a throat of a team like that and when they get to their next opponent, things do not necessarily go as well. This is a great system in that these teams perform significantly below .500 despite being -117 favorites on average in these games.
