SportsBook Breakers Spotlight System of the Day

PLAY UNDER: Teams that scored at least six runs last game and had more runs than hits in the game.

350-427-35 (0.26, 45.0%) +4.9% ROI

This is a situation where a team put up a good deal of runs last game, but their offense production did not necessarily match that. Hits are a better indicator of offense going forward than runs and we see that catch up a bit with the totals here.
