SportsBook Breakers Spotlight System of the Day

PLAY ON: Teams which walked at least seven batters for at least two straight games.

197-199 (-0.18, 49.7%) +4.0% ROI

This is a situation where teams have really struggled with allowing walks in each of the last two games. Thankfully there is not too much carryover to that going forward. These teams basically have performed at .500 in this games, but with an average line of +115, that is a profitable record.
