SportsBook Breakers Spotlight System of the Day

PLAY AGAINST: Teams which led for 8 innings before losing

134-148 (0.02, 47.5%) +2.0% ROI

Blowing a lead late in a game and losing is disheartening. But losing a lead in the ninth after leading the entire game is a special kind of gut punch. It is a situation that can be hard to come back from and we see that here as teams perform below expected when trying to recover next game.
