SportsBook Breakers Spotlight System of the Day

PLAY ON: Teams that have allowed less than six total runs their last three games against opponents who have scored more than 20 runs in their last three games.

91-74 (0.54, 55.2%) +9.4% ROI

This is a matchup off a pitching staff that comes in throwing really well in their past few games against an offense that has been hitting well in their last few games. More often than not, it is the hot pitching staff that wins out.
