SportsBook Breakers Spotlight System of the Day

PLAY UNDER: Teams have got at least eight innings out of their starter in each of the past two games

227-269-30 (0.22, 45.8%) +3.1% ROI

A rested bullpen is a real advantage for a team and when the bullpen is rested, it allows a team to use their top bullpen arms more liberally than they might otherwise. The more innings top bullpen arms can throw, the more likely it is to limit scoring in the game. Having gotten two straight really deep starts from their starters, teams enter these games with a very fresh bullpen.
