SportsBook Breakers Spotlight System of the Day

PLAY ON: Starters who went at least seven innings last start while striking out no more than three batters, if their opponent struck out no more than four times last game

442-398 (0.22, 52.6%) +3.9% ROI

The opponent here did a great job avoiding strikeouts last game but the starter here was able to find success last outing without relying on strikeouts and that often happens again here while the strikeouts also regress up toward the mean.
